AT THE
NATURAL GAIT
JUNE 11, 2011

Big Blue Sky started as a father-son duo in the mid-90's by Jon Stravers Sr and Jon-Jon Stravers. Their musical style includes the influence of folk, bluegrass, blues, and reggae. In their music they seek a closer connection to the planet, and indeed their musical writing comes from the inspiration of wild places and a celebration of our natural heritage and the natural rhythms of life.
